What This Buffalo Physician Has Done For Humanity

The picture which appears here of Dr. Pierce of Buffalo, N. Y., was taken in 1910. As a young man Dr. Pierce practiced medicine in Pennsylvania and was known far and wide for his great success in alleviating disease. He early moved to Buffalo and put up in ready-to-use form, his Golden Medical Discovery, the well-known tonic for the blood. This strength-builder is made from a formula which Dr. Pierce found most effective in diseases of the blood. It contains no alcohol and is an extract of native roots with the ingredients plainly stated on the wrapper. Good red blood, vim, vigor and vitality are sure to follow if you take this Alternative Extract. Dr. Pierce's Golden Medical Discovery clears away pimples and annoying eruptions and tends to keep the complexion fresh and clear. This discovery corrects the disordered conditions in a sick stomach, aids digestion, acts as a tonic and purifies the blood. Write Dr. Pierce's Invalids' Hotel in Buffalo, N. HARDING AND HYDE

"Hyde and Old Hard Times, Harding and Hell!"

This is the slogan. The people all yell, "Hell and Old Hard Times Harding and Hyde—"

They are the big four. The people have tried. Bankruptcy and Failure. Both stalk side and side.

In these days of Harding and Hard Times and Hyde. Two years more in August. The rocks we must ride; Then farewell forever.

To Harding and Hyde. —J. L. M.
